Our thanks to our wonderful P&C Committee on their excellent contribution to our school. Last Tuesday night was the final meeting for this year. Well done Kelly Vickers as President and all her great team. The P&C has also approved the purchase of blazers for our students to wear on special occasions, new school and house Flags, and hall runners for both campuses. We are also purchasing a school tie for our students to wear again on special occasions.

Congratulations to our Year 6 students on their excellent behaviour at Wednesday’s SGHS Orientation Day. Last Tuesday we held our final Kinder Orientation morning and our new students were fantastic throughout their activities. Good luck to our school bands at tonight’s concert.

A reminder to all our families, poor behaviour will not be tolerated at our school. I have very high expectations of behaviour and I expect all our students to follow our welfare policy. Congratulations to the very large majority of our students who always display positive behaviour choices. We will be reviewing our school welfare policy shortly with both the discipline and positive reward systems evaluated.

Have a great week
