FAREWELL
Sue's last newsletter

It’s very difficult for me to say my last goodbyes to this wonderful, amazing school community. The number of people I have to thank for their support over the years is too many.
I have been so enormously lucky and grateful to have been able to teach and lead in such a wonderful place for over 25 years.
I have always found the staff to be a very sensible, supportive, professional group of people who genuinely want the best for the kids and the school. We have worked harmoniously towards ensuring that South Grafton Public has developed one of the best reputations in the district and we have dedicated ourselves to constantly improving and creating.
We have developed a name for always being willing to step up and embrace new concepts and programs. As a result we have always been on the ‘cutting edge’ of quality educational policy.
I leave the school a very PROUD Principal.

I’d like to thank everyone for their kindness and best wishes.
